

CNCA Membership Application Continuing Education and Practice Component

As Nurse Continence Advisors (NCA), we are proud of the level of expertise and education that is afforded by this title. In order to protect the quality standard that is associated with being a NCA, we have developed continuing education (CE) and clinical practice standards.

In order to maintain your Full membership in the CNCA you must meet the CE and clinical practice requirements.

>> For more information about membership requirements visit our website at www.cnca.ca

If you are unable to meet these requirements, you may retain an Affiliate membership. Membership is for the period of January 1, 2009 to December 31, 2009
